Peacock Feathers - Eyed Sticks - Natural

Beautiful peacock eye sticks. These are iridescent green with blue and bronze colored "eyes." Excellent quality. We have three types available:

- 35-40" – These are the complete feather and have a full quill. They have large eyes.
- 10-14" – These are just the top section and have been clipped. They have large eyes.
- 09-15" – These are just the top section and have been clipped. These have smaller eyes but tend to be larger than our "minis."

SHIPPING NOTE FOR 35-40"

Longer feathers may ship separately from most other items due to size. Depending on what you order, you may incur a separate shipping charge for this item. If you order items too bulky to fit in a 4x4x48" box, we must ship your order in two parts. Rush shipping by UPS 3-Day, 2-Day, or Next Day will incur additional cost beyond the quoted shipping price due to oversize parcels.

For customers outside of the United States, long feathers cannot be shipped at the International First Class rate due to dimensions.

Peacock Feathers - Eyed Sticks - Miniature

Miniature peacock eyed tail feathers that average about 5-10 inches long. These are not cut off from the tops of the long tails but are instead complete feathers with a full quill. They come from the top of the tail towards the base and are essentially the coverlet feathers. The eyes are about 1 - 1½ inches wide. Note that the quality will be imperfect on some feathers because of where they occur on the bird. If you need nearly perfect feathers for your project, we recommend purchasing 25-50% more than the minimum required.

Peacock Feathers - Swords

These are the side feathers from the tail and are generally called "swords." They are iridescent green with bronze and sometimes blue. The 14-16" size are just the tops and have been cut off. The 30-35" are the full feather with complete quill.

NOTE: The 30-35" length feathers must ship separately from most other items due to size. Depending on what you order, you may incur a separate shipping charge for this item. If you order items too bulky to fit in a 4x4x48" box, we must ship your order in two parts.
